

Year 11 Newsletter

December 2022

We would like to start by saying thank you to all the students & staff of Year 11 for all your continued hard work during the first term. We have had a fantastic start to this academic year with the majority our Year 11 students proving to be the role models we want them to be. We have the simple motto, 'Attitude is a little thing, that makes a big difference', we believe that by following this, we will become successful in whichever ever path we choose to follow, and it is this that motivates us to be the best that we can be. We have seen huge improvements in the behaviour of the students of year 11 since returning to the Academy and we are determined that this will continue to improve as we go on throughout the year. We would like to say congratulations to our newly appointed prefects. Our prefects went through a rigorous process, and we were incredibly proud of how they approached this. We know that they will be a real asset to our Academy. We hope you all have a well-deserved break, and we look forward to our next term.

Mrs Broadley & Mrs Churches

"Attitude is a little thing, that makes a big difference"

Meet our tutors

Hello! My name is Mrs Carey, I am tutor to 11VCA. I am the Art teacher here at Oasis Academy Immingham and have worked at the school since January 2021. I thoroughly enjoy working with students to help them bring out their creative sides and love to see what each student creates every week as well as helping them to develop their artistic skills. Alongside teaching art I really enjoy being a tutor to year 11. All the students in 11VCA are extremely polite, respectful and hard working. I look forward to seeing what challenges we can take part in over the rest of the year and to help them celebrate their successes and support them in any way I can in the lead up to their end of year exams.

Mrs Carey

Hello! My name is Mr Baker, and I am tutor to form DAB of Year 11. I am a PE teacher here at Oasis Academy Immingham and have worked at the school for 10 years now in a few different roles. I thoroughly enjoy teaching many different sports across the curriculum and seeing the positive benefits of exercise in our students. One of my favourite things about the academy is taking our brilliant students out on trips and to sporting fixtures where they can showcase their talent against other schools in the area.

Mr Baker

Hello! I am Miss Phillips, and I'm really lucky to share 11SPH with the fantastic Mr Burton. I also teach English and Oracy at Oasis, but being a form tutor is my favourite part of the day every day. I am particularly excited to have a year 11 form this year, I know already that 11SPH are a fantastic bunch who will go on to do brilliant things after they leave us.

Miss Phillips

My name is Carl Towse. I teach French, although I speak German and a little bit of Spanish. My wife is French, and my children are bilingual. I have taught at Immingham for three and a half years with Mrs Ramsey in a two-person department. I love singing and going to our static caravan in Hornsea!

Mr Towse

Hi! My name is Mr Rogers and I am one of the year 11 tutors. I am a maths teacher here at Oasis Academy Immingham and I have worked here for a number of years. I have been a year 11 tutor for the past four years and am looking forward to being with year 11 again this year. One of my favourite things about working here is that everyone is so friendly and polite.

Mr Rogers
