<b>9) <u>Resurrection theories</u></b>

<b>Coma (Swoon theory)</b>	Jesus didn't really die on the cross, he was merely in a coma and he woke up in the tomb and left before the women arrived. <i>Counter Argument – Jesus was stabbed in the side by the Roman soldiers.</i>
<b>Wrong Tomb</b>	The women went to the wrong tomb. <i>Counter Argument – The disciples went to the tomb after hearing from the women, and arrived first.</i>
<b>Hallucination</b>	The disciples wanted to see Jesus rise from the dead that they imagined it. <i>Counter Argument – How would a whole group hallucinate at the same time?</i>
