

The logo for Oasis Academy Immingham is located in the top right corner. It features the word "Oasis" in a white, sans-serif font with a circular graphic element to its left. Below it, "Academy:" and "Immingham" are written in a smaller white font on a dark blue rectangular background. The entire logo is set against a large blue curved shape that dominates the top right of the page.

Oasis

Academy:  
Immingham

Four decorative circles are scattered on the page: a large grey circle on the left, a medium dark blue circle in the center, a small light blue circle to the right, and a very small light blue circle further to the right.

# Student Information

Dear Year 9 Students

This pack of information has been put together to ensure that you are 'Year 10 Ready' in September. It will help get you prepared for returning to school in September as it has flipped learning tasks for everyone .

In this booklet we will take each subject in turn and there will be three 'flipped learning' tasks per subject you will be studying next year. Completing these will help you prepare for the first term in your new year group.

**What is flipped learning?** Rather than using lesson time to explain subject topics, students become familiar with subject material on their own, ahead of contact time with their teacher. Teachers then use lesson time at the start of the new term to help students apply concepts and address difficulties.

We really would like you to do these tasks over the summer holidays, but it is your choice. R2s will be given for each flipped learning task you do per subject! You can end the first week of the new term in September with lots of reward points 😊 .

The booklet is broken down by subject and the tasks are numbered – F1, F2, F3. 'F' for flipped learning. For your pathways subjects, choose the ones you have been offered.

This booklet tells you how to present your work, using Horizons (iPad) or maybe written work. Anything that you do must also be stored safely at home / on your iPad ready for your return to school so you can hand it in and gain your reward points. Bring it all in on the first day back.

# English Literature

Task Number	Task Title	How to submit the work
F1	<a href="#">An Inspector Calls - GCSE English Literature Revision - AQA - BBC Bitesize</a> Work through the activities on this link.	Email your test scores to your teacher.
