

12th May 2020

Dear Parent/Guardian,

I hope that this letter finds you all safe and well.

I thought that it would be useful to update you on a few things, I am writing to you during unprecedented times and I wanted to reassure you that if you have any questions please do not hesitate to contact us via email at office@oasisimmingham.org.

It seems very strange to be writing to you at a time that we do not know when we will be returning to school but I wanted to reassure you that we care about our students and their families and as soon as I have any further information I will be in touch. Please keep up to date with what is going on via our Oasis Academy Immingham Facebook and Twitter accounts.

Year 11 students

Since the Ofqual announcement regarding qualifications, I just wanted to reassure Year 11 students and their parents that our staff will continue to support your child. Work will be sent out which prepares your child for the next step in their education and we are working very closely with our local colleges and external partners.

I wanted to be clear with the process for Examination boards; they are asking teachers to submit their judgement based on a range of evidence including classwork, homework, practical and mock exams on the grade that they believe students would have attained if the examinations had gone ahead. Ofqual are very clear that the academy's grade for a student cannot at this stage be shared with either the student or their parent.

The academy's judgement will then be moderated by the examination boards, based on a range of evidence, and a final 'calculated grade' released no later than the original GCSE Results Day of 20th August 2020.

The Government have said that if students do not feel their calculated grade reflects their true performance, they will have the opportunity to appeal or sit an exam at the earliest reasonable opportunity, once schools are open again. Students will also have the option to 're-sit' their examinations in summer 2021.

We have been reassured by Government that this year's awards will have equal value to those awarded in previous years.

Mental Wellbeing

We are very conscious that some of our students may be struggling during lockdown with their mental and emotional wellbeing. This could be for a number of reasons which include missing social contact, missing peer support, lack of personal space etc. CAMHS have developed a good set of resources to support young people with this and these can be accessed at <https://www.camhs-resources.co.uk/>

www.oasisacademyimmingham.org

If your child is struggling then we may be able to help and it is important that you contact us or mention it when your child's Head of Year or Year Manager telephones.

Online Resources

Our virtual learning page on our website has many websites listed on it for your child to access resources during this time to help support them with their learning and enhance what we are offering. The BBC have just relaunched their GCSE bitesize website and this is a fantastic resource for all year groups.

Academic Year 2020-2021 Dates for your diary

At the moment we are not sure when we will be returning to school however, I do need to share next year's dates with you as Oasis have requested some changes in line with their 'Year of Learning' for staff. Please see the dates below, these are also available on the Academy website:

Oasis UK National Friendship Line

We do appreciate that this is a worrying time for many of you. Oasis UK have set up a National

Friendship Line for anyone who is feeling anxious or lonely or anyone who needs some practical help or support. The number is 020 396 84330 and the lines are open 9am-5pm.

Please continue to follow our social media accounts for daily updates and I will be in touch again when I have more information to share.

Please stay safe.

Yours sincerely,

Mrs Sara McLoughlin
Principal
