

08 June 2022

Dear Parents and Carers of Y10 students

***UPDATE* Y10 End of Year Examinations**

As you have been made aware of via a communication today, the 24th of June is an additional Inset day whereby Oasis Trust will be using that day to invest in a day's training around the curriculum and changes for the year ahead. As a result of this and an internal activity that is now planned, there have been a few changes to the published Year 10 internal examinations timetable, please see the updated one at the end of this letter.

All students have been sent this new timetable, as have their tutors.

As a reminder:

- Examinations start on Tuesday 21st June – Wednesday 6th July and are spread across the range of dates.
- The following subjects have these formal assessments planned:
 - English
 - Maths
 - Science
 - French
 - History
 - Geography
 - Religious Studies
 - Engineering
 - Citizenship
 - Music
 - Art (in the art room)

Other subjects have already had external examinations this academic year, or the external examination is next January/June and the theory teaching has not started for that assessment

- The duration of each assessment is shown next to the title
- All students across all Oasis Secondary Academies will sit these assessments and they will simulate a mock examination process where possible
- These examinations will be sat in the sports hall, our formal exam room or AF22 if a student has extra time or is allowed a laptop as part of special consideration. Occasionally a student will sit their examinations in a room with a 1:1, especially if the student uses a scribe to write their answers. We ensure that we meet all the needs of each student so that they can perform at their best
- When sharing the results with students and parents/carers, only a raw score and a percentage will be received. Students will **not** receive a grade
- If a student is absent, then we will arrange for the missed assessment to be sat as soon as possible afterwards

If you have any queries regarding the summer assessments, please get in touch with your child's tutor or Head of House in the first instance who will endeavour to resolve your query.

Yours sincerely

Mrs Tanya Wiles
Deputy Principal
