

14th July 2022

Dear Students, Parents and Carers,

Exam Results August 2022

Now that the exam season is over, I am writing to you all to outline the plans for exam results day.

Exam results are available for collection on Thursday 25th August at 9.00am.

Students can collect their results from the Agora between 09.00am and 11.00am. If results are not collected, then they will be posted home to the address we hold on the system. We are unable to hand results to anyone other than the student themselves.

There will be tables arranged and students should make their way to the table showing the letter of their last name (surname). Results must be signed for as some certificates may also be in the result envelope and these are very expensive to replace. A leaver's destination form must also be completed and returned when results are collected.

We wish all Year 11 students the very best of luck in all future endeavours and look forward to celebrating their results with them in August.

Kind regards
