

Dear Parents/Carers

As we approach the holiday break we look back on a busy term. We have been delighted with the response to the rewards shared on Facebook with the parent/carer community and our focus this week is to celebrate with those students who have achieved so much this term. We are incredibly proud of them all.

Year 11 will have some opportunities over the break to attend some intervention sessions and information will have been sent out to all students and parents. We hope they take advantage of the staffs' willingness to give up their free time to work with the students. We are passionate about giving this year group all of the opportunities to succeed after what

has been a disruptive time for them over the last two years. The government has made some adjustments for the up and coming exams season to ensure they are not disadvantaged but we do recognise and appreciate our Year 11's resilience. We have given Year 11 students a study timetable with the exams incorporated within.

On Thursday 24th April we had our first Aspire Day, student were very engaged and had access to a number of opportunities from learning First Aid and also some external visitors from colleges to discuss careers. The theme of the day was "Future Me" with each year group given skills appropriate for their age and where they are currently in their school career.

We have seen our school teams have some great sporting achievements and are proud of their commitment and accomplishments.

Our after school clubs are going from strength to strength. Our very newly formed Eco Club are currently going through some stages of garden design and looking at eco friendly ways towards this. Our technology club have been upcycling materials to create exciting new products such as bird boxes and clocks!

I hope you enjoy this newsletter and also hope you have a lovely break over the holiday period and that the sun shines!

Mrs McLoughlin

## Top tips from staff

Year 11 form tutors, Miss Hanson and Mr Gallafent have shared some words of wisdom as food for thought for students over the Easter break...

Miss Ramsey "My top tip is that you will never regret working hard. You may not need to know everything you are taught in school, but you will 100% need to know some of it and there's no way of knowing which bits you'll need. So, put aside your objections and engage with as much of the content in all your subjects as you can."

Mr Rogers "My advice for the future for Y11 would be, don't have any regrets. Don't be in the position of wondering what you could have achieved or done. If you have to think about whether you should be doing something, then you probably shouldn't be doing it."

Mrs Woolliss "Find a career you love. You'll be working for most of your life, so make it enjoyable!"

Mr Gallafent "My top tips for the exam season ahead is to ensure you rest, eat a well-balanced diet, and plan your day. Put as much effort as you can into your revision and know in yourself that you have tried your very best and couldn't have done anymore to change the outcome. Finally...Believe in yourself...you are amazing."

Miss Hanson "My top tip is to work hard and persevere! The easy option is to give up, the harder option is to keep trying, but... the more you try and the harder you work the more success you will have! Success is not a given it has to be worked for! Do everything that you can to be successful, make yourself and your family proud."

## PPE's Top performers

With all mock exams finished and all student papers marked it was great to hear all the success stories across all the different subjects studied. This was the final round of practice exams the year 11 students would sit until Monday 16th May 2022. The students listed below were out top/most improved performers in their mock exams... A huge well done to all the students listed below, showing great attitude and dedication to their studies.

English Language and Literature - Keane M and Kaden B

Maths - Jamie A, Benjamin B, Thomas C, Joshua C, Sapphire D, Francesca F, Matrix F, Freddie G, Chloe G, Joseph H-L, Paige J, Antony J, Kelsey P, Liam P, Liam R, Tyler S, Connor S, Jake S, Elise T, Kaden W, James W and Caden W

Science – Charlotte P, Jamie A, Lee W, Oliver C, Josh C, Anabel P, Jake H, Cameron B, Ben B, Sapphire D, Liam P, Lauren O, Matrix F, Liam R, Luke T, Grace D, Paige J and Cienna B.

Engineering - Jamie A, Harley B, Thomas C, Sapphire D, Thomas H, Paige J, Anthony J, Leah L, Charlie M, Tyler S, Jake S, Lexus W, Matrix F, Elliott P-P and Connor S.

Drama - Francesca F, Macy S, Cienna B, Anabel P

French - Charlie M, Jessica S, Ivon I and Nathan W

Students are cleaning and stamping their jewellery projects

## Clubs, ASPIRE Day, Discovery Mornings and Reward trips!

What a few weeks we have had enjoying all the elements of our curriculum. Our club offer continues to be really successful with lots of posts on Facebook celebrating the amazing work and enthusiasm that our students show in these extra-curricular activities. From tech club to crochet club, from sports to dance, there is something for everyone to get involved with. Our updated offer will be launched after Easter and shown to students in tutor time so keep an eye out for that. Maybe sign up for something new or keep attending your favourite club next term too.

On the 24th March our entire academy got involved with ASPIRE Day 1 #FutureMe. The day was focussed on careers and industry and we welcomed partner providers in as well from Grimsby Institute, The University

of Hull and Xceco. There was a wide range of sessions planned and delivered by our expert staff including 'Getting the job - Interview skills, practice and coaching', 1st aid Training, Career Stereotyping and Money Skills to name but a few. We have one more ASPIRE day planned this year which will cover elements of healthy living and fitness #HealthyMe. Look out for more information towards the end of the Summer term.

Next week we are excited to welcome over 30 Year 5 students to our first Discovery Morning of the year. They will be enjoying 4 different sessions over the course of a morning, getting a taste of how 'big school' feels and using our fantastic facilities. We will be posting about this on our social media and we know it will be a great day. We have a few more exciting things

planned for Y5s over the course of the next term too.

Finally, planning is underway for the end of year reward trips. In September I told all the students in Years 7-10 that they already had their place on a reward trip and it was up to them to keep it by showcasing the very best of themselves throughout the year, Year 11 have their formal prom event too. More details will be coming out after Easter from Heads of Houses. We believe that great students should have the chance to shine and be rewarded, along with our established reward assemblies, this is another way we can celebrate great students achieving great things.

Mrs Wiles

Hello, Welcome to the Year 11 Newsletter update and as promised it has been another busy half term for Year 11 students who have continued to prepare for their GCSE exams by completing their final round of PPE exams, in preparation for the summer GCSE exams, which will start on Wednesday 11th May 2022. In addition, students have also been competing in the weekly tutor challenge, discussing their prom ideas and have been attending targeted intervention sessions with their tutors.

We would also like to thank all the students for their dedicated work this half term. You have been amazing.

Additionally, a big thank you to the staff for all the support they have given to the year 11 students this half term, helping to prepare them by running extra intervention sessions and extra support as the exams approach us. And finally, a big thank you to all the parents for supporting us with all elements of year 11.

With exams fast approaching It is important that all year 11 students are focused and complete elements of revision over the Easter break. Studying in short sessions with breaks and revising different subjects in different ways (Flash Cards, posters, exam papers & spider diagrams) often

works best for most. This will keep the brain stimulated, whereas doing the same thing for too long will likely make students switch off. It is important that students use the revision planner given to them by Miss Hanson and Mr Gallafent to help plan their day around revision – Organising time will be essential for positive preparation.

This is a big shout out to all our Year 11 reward winners this half term. Winners have positively demonstrated the academy REACH Values this half term and their hard work is paying off. We have had many Tutor Reward Winners Tutor winners are nominated weekly by their tutor for displaying our REACH Values.

## Mr Eversley

I'm incredibly grateful and proud of the literacy interventions that have taken place over the past few months. On average, those in the intervention groups have made over 9 months of progress in the short time they've been doing them. Huge thank you to all of the TAs for delivering the interventions, and Ms. McFarlane, Ms. Phillips and Ms. Britcliffe for their organisation!

I'm really excited to be involved in pushing these interventions even more next term in our ambition for every student to be a confident reader. It's also my last week as Head of Humanities and I want to say a huge thank you to the whole Humanities team for their work (and patience!) over the past couple of years. It's a fantastic team and the development of History, Geography, Religious Studies and Citizenship has been enormous due to their hard work.

## Mrs Broadley

I would like to say a big thank you to everyone for the warm welcome back after an eight-month absence.

It has been wonderful to meet our lovely year 7's and great to see the year 11's working hard in preparation for their forthcoming examinations.

It is also wonderful to see so many students queuing up to 'spend' their reward points in the reward shop and so many reward badges being worn on blazers – a testament to how hard they must be working in their lessons. Well done to all of you.

## Thank You

So, with busy times ahead for us at Oasis Academy Immingham, we both look forward to working closely with all students and parents to prepare for the summer GCSE exams. Have a wonderful Easter break. Read a book, Revise, Stay Safe and Spend time with family and loved ones.

Miss Hanson & Mr Gallafent

## Exam Timetable

Below is the exam schedule for all subjects in the summer series. The first exam will take place on Wednesday 11th May 2022 and the final exam will take place on Thursday 23rd June 2022.

Date	Exam(s)
Wednesday 11 <sup>th</sup> May 2022	Health and Social Care: Health and Wellbeing (Am)
Monday 16 <sup>th</sup> May 2022	Religious Studies: Component 1 (Am)
Tuesday 17 <sup>th</sup> May 2022	Biology: Paper 1 (Am)
Wednesday 18 <sup>th</sup> May 2022	English Language: Paper 1 (Am)
Thursday 19 <sup>th</sup> May 2022	History: Paper 1 (Am)
Friday 20 <sup>th</sup> May 2022	Maths: Paper 1 (Am)
Monday 23 <sup>rd</sup> May 2022	Geography: Paper 1 (Am) Citizenship: Paper 1 (Pm)
Tuesday 24 <sup>th</sup> May 2022	French Paper 1 (Am) French: Paper 3 (Am)
Wednesday 25 <sup>th</sup> May 2022	English Literature: Paper 1 (Am)
Thursday 26 <sup>th</sup> May 2022	Engineering: Solving Engineering Problems (Am) Religious Studies: Component 2 (Pm)
Friday 27 <sup>th</sup> May 2022	Chemistry: Paper 1 (Am)
Tuesday 7 <sup>th</sup> June 2022	Maths: Paper 2 (Am) Geography: Paper 2 (Pm)
Wednesday 8 <sup>th</sup> June 2022	English literature: Paper 2 (Am)
Thursday 9 <sup>th</sup> June 2022	History: Paper 3 (Am) Physics: Paper 1 (Pm)
Friday 10 <sup>th</sup> June 2022	English Language: Paper 2 (Am)
Monday 13 <sup>th</sup> June 2022	Maths: Paper 3 (Am) Creative iMedia: Pre-productions skills (Pm)
Tuesday 14 <sup>th</sup> June 2022	Geography: Paper 3 (Am) Citizenship: Paper 2 (Pm)
Wednesday 15 <sup>th</sup> June 2022	Biology: Paper 2 (Am)
Thursday 16 <sup>th</sup> June 2022	History: Paper 2 (Am) French: Paper 4 (Pm)
Monday 20 <sup>th</sup> June 2022	Chemistry: Paper 2 (Am)
Thursday 23 <sup>rd</sup> June 2022	Physics: Paper 2 (Am)

## Ukraine Lesson

The Ukraine lesson day was a day where we had second period as a live video call with every oasis school and we gave wishes for Ukrainians and those who are suffering during the war. We made notes of hope and wishing them well on yellow and blue paper. We held a 2-minute silence for the Ukrainians to show our support and respect. We all stand with the Ukrainians and pray that the war ends soon.

## Prom

With Year 11 nearing its final chapter the students begin to look forward to the eagerly anticipated end of year 11 prom. Prom is due to take place on Thursday 14th July 2022 at the Oaklands Hotel. This year students have selected a masquerade theme, which can support the students' outfits and the décor of the prom room. Staff are really excited to celebrate with students on this evening and can't wait to see everyone looking glamorous.

# Music Club

Music club is a club where music is the main theme. You can do anything music related and it attracts quite the amount of people. Whether it be working on a piece such as year sevens learning happy birthday on piano, to practicing for GCSEs as year 10's and 11's do. You can go as long as you behave and don't damage the instruments. You can find this club within the music room - F2 - which is Mr Draper's room. It is on during Monday and Wednesday lunchtime.

My friend and I work on our duet and our performance pieces for our GCSE. Niki from year 7 was learning to play piano as a task set for her class and from what I saw, more year 7's were doing the happy birthday tune also. My friends and I who go with says it is a very interesting club and will satisfy anyone who loves music as you can do any form of task you see fit. No matter the task you can do it from composing on GarageBand to practicing a performance piece.

The club has some who are practicing for GSCE to those practicing a set work for their next year 7 lesson. You can sing, compose, play piano, guitar, however you are not available to play drums since the drum room is in a different area to the music room. I enjoy to either do research on time signatures or find pieces of different music that I would see as interesting.

## Tutee of the Week Winners

Tutor Group	24.02.22	03.03.22	10.03.22	17.03.22	24.03.22

## OAI Appreciation Page

**Mr Eversley:** Makes it easy to understand the work (Lori Parker Abbie hand) blue 10 Crawford

**Miss Dibdin:** Great teacher (Calvin Smith)

**Miss Phillips:** Puts effort into making lessons fun (Brandon Lee I Large)

**Miss McFarlane:** Really nice and listens (Shauna Revill, Evie Goodman)

**Miss Canon:** Kind, understands students and doesn't shout (Chloe sate, Alfie Howard)

**Miss Canon:** Takes time with students (Evie-Mai Kearns)

**Mr Robinson:** Makes sure students are happy and okay (Lauren Wilson)

**Mrs Churches:** Helps through issues and is always nice (Chloe Plastow)

**Mr Draper:** Nice, funny, easy to talk to and find it easy to calm students down. (Lucas Strugnell & Maisie Wrightham)

# Tutee of the Term

Well done to the following students who have been recognised for consistently using our REACH values and for displaying an excellent attitude to learning.

## Rosa Parks Appreciation Page

I would like to thank Miss Parrish for always being kind and caring.

**Holly K**

I would like to thank Miss Cannon because she has helped me so much in PE and I am grateful for what she has done for me.

**Alis H**

I would like to thank Mr Brace. He has helped me become better at Science. His lessons are always fun and he explains things in the best way. He is always there to help us when we are struggling. Thank you Mr Brace!

**Roxanne H**

Miss McFarlane, Thank you for helping me with my English work. I really appreciate it.

**Kayla R**

I would like to thank Miss McFarlane for helping me throughout these two years. You always explain how to do the work and you are always there for me.

**Jasmine E**

I would like to thank Mrs Glover and Mrs Broadley for being there when you have problems. They are very nice to talk to.

**Chloe S**

Mr Leggett has been one of the best and helpful teachers because he always teaches his lessons in a good way. He is always energetic which puts the whole class in a good mood. If anyone needs his help he is always there for anyone.

**Courtney S**

### Rosa Parks Head of House Award - Chloe Sate

Chloe has been recognised this half term for her consistent enthusiasm and hard work in all her lessons, which has enabled her to make good progress. I am so proud of you Chloe- keep up the hard work!
