## Florence Nightingale House

### Head of House Award

Lauren Wilson – This term Lauren has gone above and beyond working extremely hard in all lessons. She has also consistently shown the REACH values in every task she undertakes. Keep up the amazing work!

### Words for Thought

Kind words can be short and easy to speak but they are never endless. No matter how small it is, it's never wasted so just imagine how different the world could be if we all spoke to everyone with respect and kindness it could change everything. Lauren W

### Sporting Achievements

#### Cross Country

Well done to all of our cross country qualifiers that headed to Scunthorpe for the Humberside cross country. All students braved the wind, and ran excellently showing resilience and determination in tough conditions.

A special shout out and HUGE well done to Seb B-T in Year 8 who qualified to represent Oasis Academy Immingham, North East Lincolnshire and Humberside and the English schools cross country in March!

#### Football

Last Saturday I played football for my Saturday league team. In the first half we scored 11 goals. We did great and used our passing play to our advantage. Although we didn't score as many in the second half but we were very close. I scored 3 goals and we finished the game winning 21-0! Evie-Mai K

# Meet the Form Leaders
