

Year 11

Firstly, we would like to say a big hello and a huge thank you to all students, staff and parents for welcoming us into the Year 11 team. Having only been officially part of the Year 11 team for 5 weeks, it feels like we have always been here. However, as head of Year 11 we have really high expectations of all year 11 students regarding their attitude to learning (in school and independently), behaviour in the academy and local community and their attendance. It is so important that all students take this on board with their first GCSE exam fast approaching on Monday 16th May 2022. Every single Year 11 has the potential to perform amazingly this year. We believe in you and now it's time to believe in yourself.

This half term year 11 have been spending a lot of tutor time focusing on their Lincs2 applications. Lincs2 is a platform that supports all students in applying for college, 6th Form and apprenticeships. To complete this process the students must complete several documents that support their application and provide them with the experience of writing personal statements, completing application forms and working independently, all of which they will require throughout life. We have been so impressed with the focus year 11 have had with this process and by the end of half term all students in year 11 will have submitted their applications. A big thank you to all year 11 tutors for the support and guidance you have given our students, we know they are truly grateful.

This half term has seen members of Year 11 represent the student leadership team. The Student Leadership Team is the voice of the students and are the mechanism to have student views and opinions help shape future strategy at Oasis Immingham.

During the meeting students enjoyed their lunch and formally welcomed members of the student leadership team and discussed the following agenda items; Chair and Vice Chair nominations, End of Year trips, Tutor Time activities, The Rewards and Consequences system and the reward shop, Year 11 final day celebrations in June (after their final exam - Physics!)

We are Really proud of our year 11 reps Elise and Jamie. Keep up the good work.

Its going to be another busy half term for Year 11 students who will be continuing to strive to succeed in the GCSE exams this summer by completing their final round of PPE exams in March 2022. It is important that during this time all year 11 students are focused, complete lots of revision. Studying in shorter sessions with breaks and revising different subjects in different ways (Flash Cards, posters, exam papers & spider diagrams) often works best for most. This will keep the brain stimulated, whereas doing the same thing for too long will likely make students switch off.

So, with busy times ahead for us at Oasis Academy Immingham, we both look forward to working closely with all students and parents to prepare for the summer GCSE exams. Have a wonderful half term break. Read a book, Revise, Stay Safe and Spend time with family and loved ones.

Thank you
Miss Hanson & Mr Gallafent

Meet our Winners

This is a big shout out to all our Year 11 reward winners this half term. Winners have positively demonstrated the academy REACH Values this half term and the hard work is paying off. We have 2 different categories of winners: Tutor Reward Winners and Fantastic Friday winners. Tutor winners are nominated weekly by their tutor for displaying our REACH Values. Fantastic Friday winners are chosen by us for displaying our REACH Values, having zero behaviour events and for positive attendance.

Tutee of the Week Winners
