This term we want to start the holidays by championing those who are getting it right.

Well done to our REACH award winners. You are a credit to the school and our community.

Welcome to Year 10

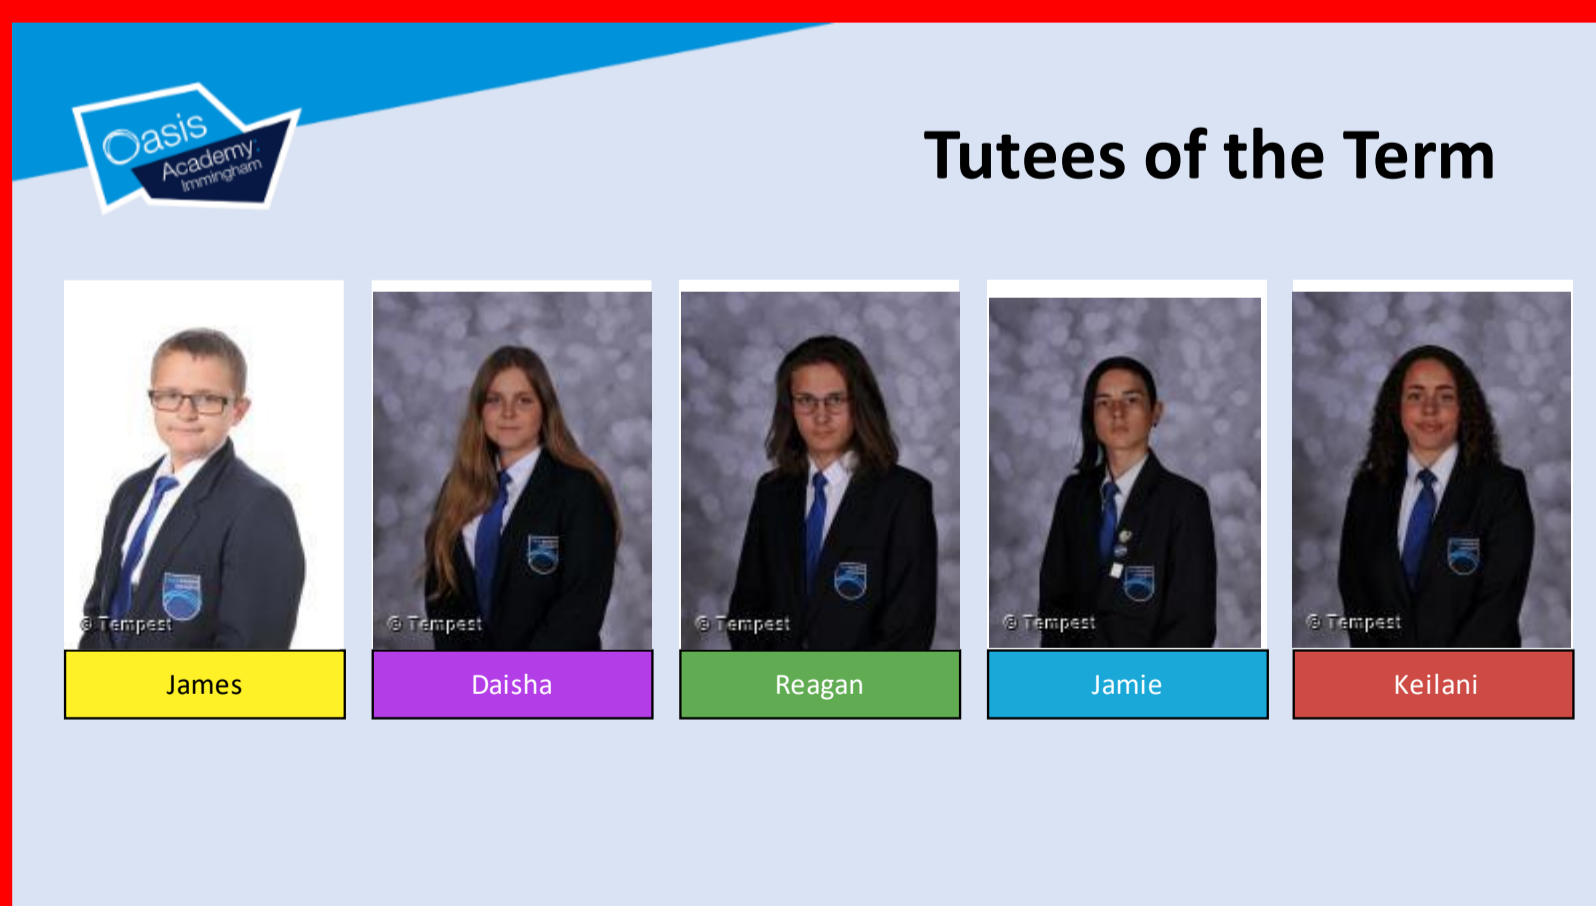

OAI are delighted to welcome Ms Wood to the Year 10 Pastoral Team. After years of dedication to students, she is our new Pastoral Year Manager.

Every student has the chance to win reward points. To celebrate the positive, we've added up the numbers to find the tutor group with the most points per student. Our winners are the good folk of the Nightingale House.

Well done to Ms Bailey and all her tutees.

### Tutees of the Term

Bravo to these students who have been selected by their tutors for summing up every single REACH value.
