

Year 11 - Christmas 2023

THE LAST CHRISTMAS OF SCHOOL LIFE FOR YEAR 11!

I have now been Head of Year of this wonderful group of young people for a year now, and I can honestly say it is an absolute pleasure to work with them on a daily basis - I can only imagine how proud you must be as parents/carers of the fantastic young adults they have grown into.

2023 has been a great year and 2024 is going to be a busy and but brilliant year for our wonderful Year 11s!

We have had a crazily busy term with mock exams, intervention sessions starting, a visit to Franklin College, numerous further education assemblies and presentations, two brilliant award ceremonies and of course those all important lessons on a daily basis to prepare for GCSEs.

Plus we have the most spectacular Prom in OAI history planned for summer 2024!

A huge thankyou to Mr Sutton for all the help and support he provides alongside me on a daily basis and a big thanks too to our 5 wonderful Y11 tutors and all the staff who go above and beyond for Year 11 every single day.

Have a wonderful Christmas everyone and here is to a brilliant 2024 filled with happiness and success.

Mr Vincent - Head of Year 11

COLLEGE ASSEMBLIES!

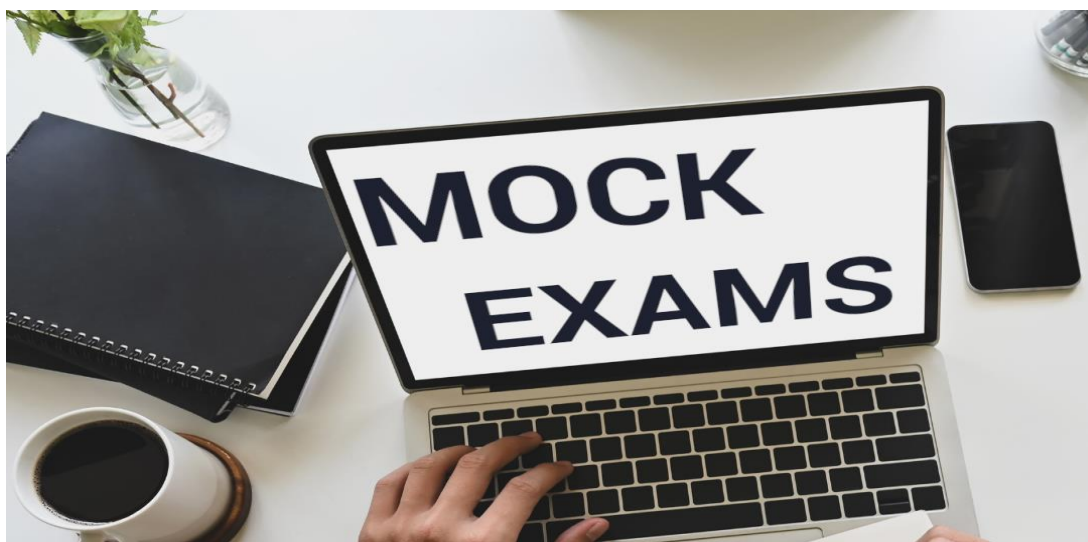

We have visits from lots of colleges and training providers over the past term, sharing loads of exciting opportunities for those all important applications! We have had several hours of dedicated application time in school and all Year 11s should now have completed their applications for next year.

Mock Exams!

A 2-week period in October saw Year 11 sitting Mock Exams in virtually all of their GCSE subjects.

We saw some wonderful work and fantastic focus during this period of time from Year 11, a definite improvement on Year 10!

A special 'Mock Results Event' was then held so pupils could experience what the real results day will be like in the summer.

Franklin College Visit!

Year 11 enjoyed a fantastic visit to Franklin College, where we were given a guided tour of the entire college and got to sample some workshops with college staff!

We were also given a wonderful lunch in the college food hall, with extra portions on offer too!

A huge thankyou to Franklin for having us and I am sure you will see some of our wonderful Y11s next year at your amazing college!

Prom 2024

Like You've Never Seen Before!

The secrets are out! Monday 18th December so a very special assembly revealing all the wonderful surprises and activities planned for Prom 2024!

There is so much going on at Prom 2024 - we have never had anything like this before! Live music, a barbeque buffet, popcorn, candy floss, walls of doughnuts, photo booth, cartoon artist, live DJ, prom giveaways, garden games and spectacular fireworks... plus a professionally catered Prom Afternoon Tea the very next day. We are so excited!

If you have not booked your place on MCAS for Prom 2024, make sure you do and avoid missing out on the biggest part Oasis Academy Immingham has ever seen!

Rewards Assemblies

Two amazing reward assemblies since September has seen numerous pupils rewarded for their outstanding efforts and work.

Special mention to Grace R and Joel S who took the respective 'Student of the Term' awards in October and December!

Thankyou Year 11 for being the amazing young people you are who we enjoy working with every single day. There will always be bumps in the road, but together we will overcome these and keep REACHing for the stars.

Bring on 2024!

Have a wonderful Christmas everyone!
