

# Year 7 Easter Newsletter

It is with great excitement that I share our latest Year 7 students' achievements, from tutor awards to subject rewards and the prestigious Head of Year award:

I have had such pleasure in visiting Year 7 lessons this term and seeing just how proud they all are of their work. Students have spoken with excitement about their learning: the body and bones were the talk of Science, area and perimeter problems have been eagerly solved in Maths, number patterns in French were discovered and new moves in Dance have been invented. Many students have commented on how they have particularly enjoyed developing their practical skills in Design and Technology, making jewellery or insect houses. Others have loved showing off their musical talents, creating their own compositions on the keyboards and even on their iPads.

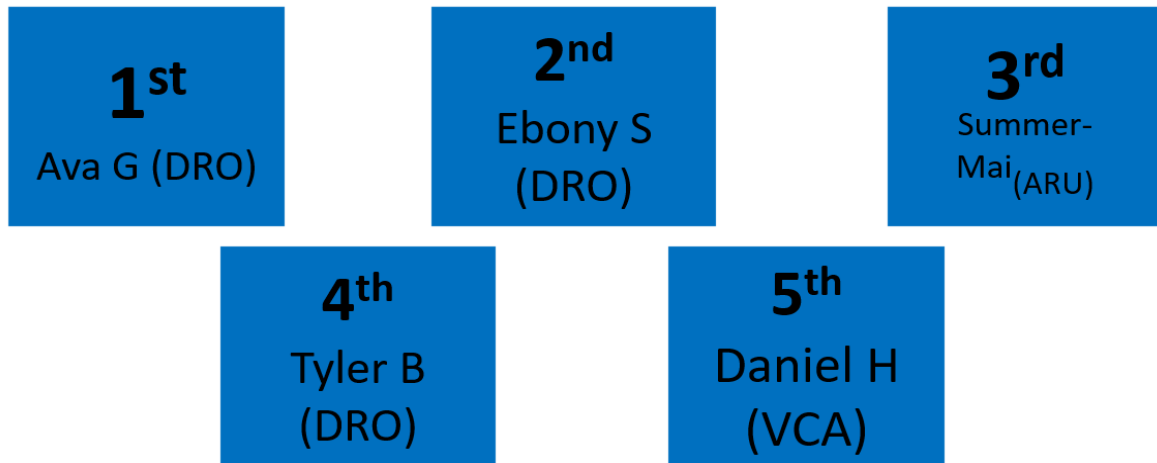

Congratulations to Aiden M who achieved this term's Head of Year reward for his outstanding efforts. He was recognised by lots of staff for his hard work and enthusiasm in all his lessons.

Well done to Mrs Rush's tutor group, who have now taken the lead on rewards points and to Ava G, Ebony S, Summer-Mai P, Tyler B and Daniel H for topping the Year 7 rewards points leader board. An extra special mention is also in order for Alice, Mia-Rose, Evie, Isabelle, Morgan, Lexie, Ava, Freya, Atakan, Stanley, Ebony, Madison, Ellie-Mai and Charlotte for outstanding behaviour since September!

## Most Reward Points

This term, tutor time has been filled with quizzes and creative challenges. Mr Roger's tutor group won the Maths challenge, Mrs Rush's group knew exactly what to do when it came to the blocks challenge and Mr Burton's group was particularly creative with their Easter egg designs. However, it was Mr Baker's tutor group that emerged victorious this term after winning the general knowledge quiz, the music quiz and the reading challenge. Well done!

The following students have been recognised this term by their tutors for their fabulous contributions to tutor time:

## TUTEES OF THE TERM

ARU	VCA	DAB	DRO	ABU
Mary M	George S	Hendleigh T	Mia-Rose	Ethan A

It was a great honour to hand out this term's REACH awards (Respect, Enthusiasm, Achievement, Community and Hard work). They have been awarded to: Teegan-Leigh, Taylor G, Summer-Mai, Leo S, Megan L, Emily V, Callum L, Grace O, Mia B, Kelsi S, Chelsea K, Charlotte V, Madison P, Xander S, Alexander A, Georgia H, Jack R, Ebony S, Freya B, Ava G, Lexie D, Lacie P, Jamie-Leigh, Ethan A and Leigh T.

I was equally proud that the following students have been recognised this term for their hard work in subject awards:

English: Maisy C , Maths: Caitlyn B , Science: Patryk K History: Tommy F , Geography: Lacie P, French: Aiden M , Art: Zoe J , R.S: Maisy Grace C, PE: Aiden M , Technology: Mary M , ICT: Lucy M and Eco Club: Leycoln M

It is always fabulous to hear of students excelling out of school too. Well done to Luca B for winning best effort in his kick boxing competition, Olivia M, Poppy G and Maisy F for their amazing efforts in free style disco at venues around the country and to Maisie G for coming 12<sup>th</sup> in Young stars 2024 National One girls ice-skating in Sheffield!

Lastly, as we approach the school holidays, I want to wish each and every one of you a joyful and restful Easter break. Thank you for all your support and I look forward to another term of pride, effort and achievement through unforgettable experiences.

All the best,

Mrs Pykett (Head of Year 7)
