

Y8 Easter Newsletter

As we say goodbye to yet another eventful term, it's time to reflect on the experiences and accomplishments of Y8.

This term, our collective efforts were showcased magnificently through various challenges. Miss Hanson's form emerged victorious in the classic egg and spoon race, while Miss Ryder's class demonstrated their artistic prowess by winning the music video challenge. Miss Robinson's form emerged victorious in the big Y8 penalty shootout. These triumphs not only exemplified teamwork but also highlighted our resilience and creativity.

We bid a fond farewell to Mr. Cooper with a celebration in the hall. The atmosphere was electrifying as we danced and formed conga lines, commemorating his contributions to our school community and wishing him well in his future endeavours. Good luck in the future Mr Cooper!

A massive well done to Jayden Dean for achieving his remarkable 1500 rewards badge, a testament to his dedication and perseverance. Additionally, numerous students earned their 1000 badge, symbolizing their commitment to excellence and active participation in our school's ethos. Plenty more badges up for grabs next term!

Looking ahead, we're getting excited for the end-of-year excursion to Yorkshire Wildlife Park. Green letters went home for those who earned their place on the trip. Please make sure the permission slip is handed in before the deadline! This promises to be an enriching experience, offering us the opportunity to deepen our understanding of wildlife conservation and bond as a class.

Throughout the term, our assemblies delved into pertinent topics such as the importance of regular attendance, strategies to combat bullying, fostering self-confidence, and nurturing a love for literature. These sessions provided invaluable insights and empowered us to navigate the complexities of adolescence.

We extend a warm welcome back to Miss Ellis as she returns from her maternity leave. Her presence enriches our learning environment, and we eagerly anticipate her continued guidance and support in the months ahead.

Mr Knight (Head of Year 8)
